An expulsion is the order given by the referee to someone to leave the field of play and its surroundings, including the substitutes' bench, during a match.

Expulsion takes the form of a red card for both players and coaches. The red card is regarded as direct if it sanctions serious unsporting behaviour as defined by Law 12 of the FIFA Laws of the Game; it is regarded as indirect if it is the result of an accumulation of two yellow cards.

A player or club official shall be deemed to have served a suspension in full when the team in which the player or club official was participating when suspended has played the equal amount of games as the player's or club official's suspension allocated, and

the round of matches for that week has been fully completed, even if served in a match that is later abandoned and/or cancelled.

The player or coach may not participate in any other games sanctioned by the Company during the period of their suspension.

The match referee shall record the player's identification number or obtain the name of the club official from the team sheet and lodge the send-off report and/or misconduct form with the Company.

The Company will impose a Club fine for send-off offences in the competition. For each player sent from the field of play, the amount of the fine shall be \$75 for the first, \$150 for the second and \$250 for the third send-off offence. Any subsequent offences shall incur a fine determined by the Company. For each club official

Any player sent off the field of play on two (2) occasions in the same season, will incur an additional one (1) match suspension. This suspension cannot be appealed and must be served immediately after the automatic game suspension as defined in the Fixed Penalty System (clause 22.4.1).

A non-playing Club Official who has been sent off from the field of play, its surrounds and the Technical Area, must serve an Automatic Match Suspension of 1 Match in addition to any further fixed penalty suspensions. This applies to all club matches assigned for that weekend.

The Company shall also impose a fine of \$200 (MFP 1/MFP 2) on the non-playing Club Official's club.

Any player sent off the field of play on three or more occasions in the same season will incur an additional two (2) match suspension, on top of the fixed penalty handed down by the Company. This suspension cannot be appealed and must be served immediately after the automatic game suspension. The player will be required to appear before the Tribunal. The Tribunal will decide whether to suspend the player for the rest of the season.

A non-playing Club Official who has been expelled from the field of play, its surrounds and the Technical Area on 2 occasions during a Competition Season, must serve an Automatic Match Suspension of 2 Matches in addition to any further fixed penalty suspensions. This applies to all club matches assigned for that weekend.

The Company shall also impose a fine of \$300 (MFP 1/MFP 2) on the non-playing Club Official's club.

A non-playing Club Official who has been sent off from the field of play, its surrounds and the Technical Area on 3 occasions during a Competition Season, must serve an Automatic Match Suspension of 3 Matches and will need to attend a hearing of the Disciplinary Tribunal to determine if further sanction is required. This applies to all club matches assigned for that weekend.

In addition, the Company shall also impose a fine of \$500 (MFP 1/MFP 2) on the non-playing Club Official's Club.

Expulsions (red cards) will be governed by the Fixed Penalty System.

19.4.1 Fixed Penalty System

A Fixed Penalty System shall apply to all expulsions (red card offences) incurred during the Company competition season.

The Company reserves the right to refer any send-off report to the Tribunal for determination, which may result in the penalty being increased above the fixed penalty suspension specified.

A player who receives a red card in a Company fixture shall be subject to the suspensions at Schedule 1.

19.4.2 Participant Misconduct

After being shown the red card and/or ordered to leave the field of play, technical area or surrounds of the ground, if a participant or non-playing participant refuses to comply or commits an additional offense in particular MFP10, 11, 12 or 13 as prescribed in Schedule 2 of Misconduct fixed penalties, the sanction will be added to the original sendoff sanction for that participant.

For the avoidance of doubt the content of a match official's report is deemed accurate unless proven otherwise on balance.

19.4.3 Substantiating evidence

Should a club wish to challenge a sanction of participant misconduct based on the statements in a match official's report on the basis that it is inaccurate then the club must present all relevant evidence to the Competitions Manager who at his/her discretion may withdraw the additional sanction issued after the send off if there is sufficient evidence to warrant this action.

19.4.4 Match suspensions

A suspension from a match is a ban on taking part in a future match in the Women's Super League, or to attend it in the area immediately surrounding the field of play.

The suspension is imposed in terms of matches/games, days, months or years.

Suspensions incurred by participant shall be served in consecutive fixtures of the Women's Super League, until such time as those suspensions are completed (and may carry over to the subsequent Playing Year).

Should a participant be suspended in another competition and/or with another affiliated organization (excluding International and Representative Teams), that Player will serve the suspension accordingly under the Company's Competition Rules for that competition.

19.4.5 Tribunal request against fixed penalty (Player send-offs)

A Club whose player has been expelled (red card) and suspended in accordance with the Fixed Penalty System may lodge a Tribunal Request. The Tribunal Request may only relate to the severity of the additional fixed penalty.

The only evidence that can be presented to a Tribunal as to the inaccuracy of a match officials match report is that evidence previously presented to the Competitions Manager under section 21.4.3.

The Tribunal cannot dismiss the expulsion (red card) and/or automatic one (1) game suspension from the player's record.

The Tribunal Request will give the Club and player an opportunity to present to the Tribunal a case for the reduction of the fixed penalty (except for the automatic game suspension).

The Club must lodge with the Company within five (5) business days of notification of the fixed penalty:

- a) a letter under Club letterhead and signed by the Club secretary outlining the intention of the Tribunal Request;
- b) a payment of a fee of \$150.00 (GST incl).

Any Tribunal Request that is successful in reducing the penalty, partly, or wholly, will have 50% of the fee being refunded to the Club. The Company will not accept a Tribunal Request that fails to meet all the requirements as specified under 22.4.5 a) and b).

Once a Player has served the automatic one game suspension, then the Player will be eligible to play pending the outcome of the Tribunal decision.

19.5 Misconduct

The Company may initiate an investigation into any matter considered relevant to whether a Participant may have committed an offence.

The investigation may be initiated on the basis of a match official's report, a Club complaint, video evidence that may be available, a report from any other relevant person or on the initiative of the Company administration.

Where there has been a report or a matter, which could constitute a serious breach of FIFA Laws of the Game, the Constitution, By Laws or Rules, the Company may appoint an Investigating Officer.

Participants shall comply with all reasonable requests made to them by the Investigating Officer or the Company for the purposes of an investigation. A failure or refusal to comply with a request, without reasonable excuse, shall constitute misconduct and hence be capable of being heard, upon charge, before the Tribunal.

The Company reserves the right to decide whether any alleged breach of the FIFA Laws of the Game, the Constitution, By Laws, Rules or registration and transfer procedures is to be referred to the Tribunal as a Misconduct Charge or dealt with by the Misconduct Fixed Penalty System or whether no action is to be taken.

An additional sanction will be imposed on a Club for the misconduct of a team, including when:

- a) Five players are cautioned or sent off in one match
- b) Three players are sent off in one match; or
- c) Several players together make threats or show force against a match official
- d) Its participants engage in a melee or brawl.

19.5.1 Misconduct Charges

The Company reserves the right to charge Participants with misconduct or with behaviour prejudicial to the interests of the game and/or the Company, which shall be heard and determined by the Tribunal. The alleged misconduct or behaviour prejudicial to the interests of the game may include, but shall not be limited to breaches of the FIFA Laws of the Game, the Constitution, By Laws, Rules or registration and transfer procedures.

19.5.2 Misconduct Fixed Penalties

The Company has adopted a Misconduct Fixed Penalty System that may be applied to allegations of misconduct.

The Misconduct Fixed Penalty System sets out minimum penalties for each breach and are detailed in Schedule 2 of these Rules, specifically MFP1- 9.

The Company shall investigate alleged breaches detailed in a Misconduct Report, Incident Report and/or any other relevant evidence presented. The Company may then issue any one of or a combination of Misconduct Fixed Penalties.

A Misconduct Fixed Penalty Notice shall clearly articulate the alleged conduct upon which the Notice is based.

The Company reserves the right to refer any misconduct charge to the Tribunal but reserves the right to withdraw any charge on the basis of insufficient evidence.

In the event of a team receiving 5 or more cautions in a game and the official match referee submitting a match report to that effect, FFT will issue the offending club with the prescribed fine for the MFP 9.

Should a club wish to challenge the MPF finding 1-9 then it must do so under the process prescribed in section 21.5.3.

19.5.3 Tribunal request against Misconduct Fixed Penalty

The Misconduct Fixed Penalties outline the minimum penalty for each offence. Parties that have been issued with a Misconduct Fixed Penalty cannot request a Tribunal hearing against the severity of the penalty under any circumstances.

Parties that have been issued with a misconduct fixed penalty can lodge a Tribunal Request against the finding of guilt only. Accordingly, such parties must enter a not guilty plea.

There shall be no leniency or reduction in the penalty by the Tribunal or the Company for a guilty plea or a guilty finding. If the Tribunal finds the Club guilty of the charge, then the tribunal may only confirm or increase the initial penalty.

A Tribunal Request against the Misconduct Fixed Penalty must:

- a) be lodged with the Company within five (5) business days of notification of the penalty
- b) The Tribunal Request must be on Club letterhead, must clearly outline the basis for pleading not guilty to the charge(s), and
- c) be signed by the Club secretary.
- d) A payment of \$200 must accompany each Tribunal Request.

The payment of \$200 shall be fully refundable when a Tribunal Request against the Misconduct Fixed Penalty is successful.

Once a Club formally lodges a Tribunal Request against the misconduct fixed penalties, no penalties issued under the Misconduct Fixed Penalty System shall be imposed while the Tribunal decision is pending.

19.6 Disciplinary Procedure

19.6.1. Rationale

As per the Football Federation Australia (FFA) National Disciplinary Regulations, and FFA Grievance Resolution Regulations, Football Federation Tasmania (FFT) has the right to impose disciplinary sanctions to enforce and encourage compliance with the FFA National Registration Regulation and the FFT Competition Rules.

19.6.2.2 Each entity and/or individual shall submit exclusively to the jurisdiction of this Disciplinary Procedure, and agrees that unless this procedure has been

exhausted, it will not attempt to resolve the grievance in accordance with the FFA Grievance Resolution Regulations, or in a court of law.

19.6.3.1 A Tribunal shall be established by FFT that is independent and impartial.

19.6.4.3 Each member of the Tribunal shall have a single vote and all decisions of the Tribunal will be made by majority vote. If there is an equality of votes the sitting Chairperson shall have the casting vote.

19.6.5. Timeframes

19.6.5.1 An entity and/or an individual shall submit a signed written report to the Competition Manager.

The report shall detail any contravention of any rule or regulation that is observed and warrants a sanction greater than that determined by the FFT Competition Rules in accordance with the recommended FFA sanctions for major infringements.

The report shall be submitted by post, e-mail or fax or in person within 48 hours, where possible, following the alleged infringement.

19.6.5.2 The Competition Manager shall defer the report to the Tribunal for determination at a hearing.

19.6.5.3 The Competition Manager shall send a Disciplinary Infringement Notice to the club or entity notifying them of a disciplinary hearing within 48 hours, where possible, following receipt of the written report.

19.6.5.6 The Competition Manager, where possible, will set a disciplinary hearing before the next applicable match, or within five (5) business days of the alleged infringement.

19.6.5.7 The Tribunal/Appeal Hearing will proceed at the date and time specified on the Disciplinary Infringement Notice/Appeal Notice as provided by the FFT. Any adjournment will be at the discretion of the Tribunal.

19.6.5.8 The entity representative and/or individual shall have the opportunity to make submissions in relation to the issues of infringement and sanction prior to the Tribunal hearing.

19.6.6. Procedure at Tribunals

19.6.6.1 Tribunal hearings shall not be bound by the rules of evidence usually applicable to proceedings in courts of law, but all hearings shall be conducted in accordance with the principles of natural justice.

19.6.6.2 Alleged infringements shall be determined by reference to relevant FFA statutes and FFT rules and regulations, including the FFA National Disciplinary Regulations, FFA National Registration Regulations, FFA Grievance Resolution Regulations, and FFT Competition Rules.

19.6.6.3 The entity representative and/or individual shall have had reasonable and sufficient notice of the alleged infringement, and the opportunity to be heard and to make submissions in relation to the issues of infringement and sanction.

19.6.6.4 The Tribunal shall hear additional evidence from the individual/entity and witnesses, prior to making a decision and determining any appropriate sanction.

19.6.6.5 Legal practitioners shall not act as advocates for respondents or the Company.

19.6.6.6 The Tribunal may:

- i) permit individuals and entities to attend the hearing in person or by telephone, with a representative;
- ii) a participant may write to the Company outlining a valid reason for not appearing before the Tribunal and agreeing to the charge being determined in their absence. In this situation the participant must present a plea (guilty or not guilty) and must outline a defence to the charge;
- iii) order the attendance of any person under the jurisdiction of these procedures as a witness for the purpose of asking questions relevant to the infringement;

iv) refuse entry to any person not directly involved in the matter, including the media

vii) take into account the contents of the Referee's Report;

viii) hear and determine a matter in a party's absence if the individual or entity fails to attend a hearing, including determining an infringement and/or sanction.

19.6.7. Disciplinary Sanctions

19.6.7.1 When determining any appropriate sanction against an entity and/or individual, the Tribunal may consider:

(i) Recommended sanctions as contained in the FFA National Disciplinary Regulations;

(ii) the nature and severity of the infringement;

(iii) the offender's past record and whether or not this is a repeated offence;

(iv) the culpability of the offender;

(v) any reasons prompting a player to commit an infringement;

(vi) any remorse of the offender; and/or

(vii) any extenuating circumstances;

19.6.7.2 The Tribunal may impose penalties in accordance with the FFA National Disciplinary Regulations and the FFT Competition Rules and Regulations.

19.6.8. Tribunal Determination

The Tribunal shall present its findings in person at the conclusion of the hearing. The Competition Manager will provide a written determination of these findings as determined by the Tribunal including any sanctions against an entity and/or an individual within five (5) business days to the club or entity where possible.

19.6.9. Appeals of a Tribunal Determination

19.6.9.1 An appeal notice against any determination of the Tribunal shall be submitted to the Competition Manager together with the appeal fee within five (5) business days after the date of which the written determination was received.

-
- A letter under Club letterhead and signed by an authorised officer of the Club outlining the basis for the appeal;
 - A payment of a fee of \$500.00 (GST incl.)

The Company will not accept an Appeal that fails to meet all the requirements as above.

Any appeal that is upheld, or is successful in reducing the penalty, partly, or wholly, will result in 50% of the fee being refunded to the Club.

All applications for appeal must fully state the grounds of the appeal as well as include supporting documentation.

Appeals may only be initiated by Clubs or FFT. No matter from the Tribunal may be brought to the Appeals Board unless:

- The disciplinary process has not been complied with or;
- Procedural fairness has been denied to the appellant or;
- The Tribunal's decision is in breach of the Constitution, By Laws or FFA Statutes and Regulations or;
- The Tribunal's penalty is either manifestly inadequate or excessive.

19.6.9.3 An appeal of any determination shall only be made by a person who was party to the hearing, unless that person can satisfy that exceptional circumstances exist and that they are affected by the determination and have an interest justifying variation of that determination.

19.6.9.4 The Appeals Board shall hear and determine appeals against any determination, taking into account any information that was put before the original Tribunal, and new or additional evidence.

19.6.9.5 The Appeals Board shall dismiss, allow in whole or part, or vary (reduce or increase) the determination, and impose any appropriate sanctions.

19.6.9.6 Participants summoned to appear before the Appeals Board must attend when advised, otherwise the appeal will be determined in their absence. The Appeals Board reserves the right to fine a participant that fails to appear.

19.6.9.7 A participant may write to the Company outlining a valid reason for not appearing before the Appeals Board and agreeing to the appeal being determined in their absence. In this situation the participant must outline the reasons the appeal should be upheld.

19.6.9.8 Participants shall comply with all reasonable requests made to them by the Appeals Board. Failure to do so will constitute misconduct.

19.6.10. Establishment of the Tribunal Appeals Board

19.6.10.1 The Company will appoint an Appeals Board to hear appeals against the decisions of the Tribunal. The Appeals Board shall consist of at least two (2) persons appointed by the Board, one (1) of whom shall be chair.

Employees of the Company and members of the original Tribunal may not be appointed to the Appeals Board.

19.6.10.2 The Tribunal Appeals Board shall follow the same jurisdiction, timeframes, procedure and sanctions as the original Tribunal hearing as contained in this procedure.

19.6.11. Appeals of a Tribunal Appeals Board Decision

The decisions of the Appeals Board shall be final and binding on all parties.

19.7 Offences by non- playing participants

In addition the Company shall also impose a fine of \$800 (MFP 1/MFP 2) on the non-playing Club Official's club.

19.7.6 The imposition of an Automatic Match Suspension is immediate. For completeness, Football Federation Tasmania must issue a Disciplinary Infringement Notice in accordance with this By-Law, but for the avoidance of doubt, the Automatic Match Suspension is effective regardless of whether or not the Disciplinary Infringement Notice is received by the Club of the expelled non-playing Club official before the next match.

19.7.7 A non-playing Club Official who is expelled by a referee in accordance with paragraph 1 may not participate in any Football Federation Tasmania match on the same day either as a Player, coach, ground official, Club referee, Club assistant referee or in any other official capacity for the Club.

Any Club whose supporters, members or patrons have been found to be in breach of (b), (c) or (d) above, will be held fully accountable for the actions of their supporters, members or patrons. Clubs found to be in breach of (b), (c) or (d) shall be fined \$500 for each offence.

If a Club is found to have not reasonably carried out its responsibilities in this Rule 21.8, it shall be fined \$500.

Each Club must take steps to ensure that their supporters, members or patrons are made aware of these prohibitions and do not breach these requirements, regardless of whether they are playing at home or away.

The Company reserves the right to take further disciplinary action if it deems that it is necessary.
